ENERGY

Get a free Warm and Healthy Home Check

From energy and water bill discounts to air pollution alerts, from fire safety checks to support clearing energy debt we can help you to keep safe, warm and well in your home. With one phone call you can access over 20 services including:

Energy Advice – advising you on how you can cut your bills, and helping you with gas and electricity debt.

Energy and water bill discounts – at least £300 for the average home.

Energy Doctor in the Home – visits and free energy saving measures in your home.

Heating and insulation grants – for private tenants or homeowners.

Fire Safety Check – making sure you're safe in your home with a visit from the Fire Brigade.

Air Pollution Alerts – helping you plan your days out.

London Taxicard – subsidised taxi journeys for people with limited mobility or visual impairment.

Telecare – helping you maintain your independence at home.

Many more services available. All services are subject to eligibility and individual borough provision.
